COMPLAINT

Plaintiff Central Source LLC, by counsel, alleges as follows for its *in rem* Complaint against Defendants freeannualcreditreport2014.com, annualcreditreport.org, anualcreditreport.org, annualcreditrepor.com, annualcreidtreport.com, freeannualcreaditreport.com, annuslcreditreport.com, anniuualcreditreport.com,

annualcrereditreport.com, snnualcreditreport.com, annyalcreditreport.com,  
annialcreditreport.com, annualcredutreport.com, annualcreditreoport.com,  
annualcredtireport.com, freeannalcreditreport.com, annualcreditreporty.com,  
annualcredotreport.com, annualcteditreport.com, and annualcreditreportsfree.com (the “Domain Names”).

### **NATURE OF THE SUIT**

1. This is an *in rem* action for cybersquatting under the Federal Anti-Cybersquatting Consumer Protection Act, 15 U.S.C. § 1125(d), and trademark infringement under the Lanham Act, 15 U.S.C. § 1114(1)(a).

2. Recent studies have shown that over 95% of the 500 most popular sites on the Internet are the subject of “typosquatting”—registration or use of a domain name that represents a typographical error of the legitimate site—and which is typically used to display advertisements related to the legitimate site, to distribute computer viruses or “malware,” or to collect visitors’ personal information for inappropriate or illegal uses.

3. Typosquatting harms consumers by causing confusion with the legitimate sites being sought by the consumers and very often results in consumers’ computers being infected with computer viruses, “bloatware” or other unwanted software, consumer’s personal information being collected and misused, and/or consumers being presented with an endless stream of unwanted advertisements.

4. In the present case, Plaintiff’s invaluable rights in the distinctive AnnualCreditReport mark have been deliberately infringed through the bad faith registration and use of the Defendant Domain Names, which domain names are confusingly similar to the AnnualCreditReport mark. Plaintiff previously has pursued a number of actions in this Court to

obtain the transfer of similar domain names that infringe upon the AnnualCreditReport mark and were registered in bad faith. *See Central Source LLC v. annualcreditreport.com*, 14-CV-1754 (E.D. Va. **JURISDICTION, VENUE AND JOINDER**

26. This is a civil action for federal cybersquatting in violation of the Anti-Cybersquatting Consumer Protection Act, 15 U.S.C. § 1125(d) and for trademark infringement under the Lanham Act, 15 U.S.C. § 1114(1)(a).

27. This Court has original jurisdiction under 15 U.S.C. § 1121(a) and 28 U.S.C. §§ 1331 and 1338(a).

28. This Court has *in rem* jurisdiction over the Defendant Domain Names pursuant to 15 U.S.C. § 1125(d)(2)(A). *In rem* jurisdiction is appropriate under 15 U.S.C. § 1125(d)(2)(A)(i)(I) because the listed registrant of the Defendant Domain Names is, on information and belief, either a privacy service or a fictitious person/entity, and therefore Plaintiff cannot obtain in personam jurisdiction over a person who would have been a defendant in a civil action under 15 U.S.C. § 1125(d)(1)(A) and/or Central Source, despite its due diligence, has been unable to find a person who would have been a defendant in a civil action under 15 U.S.C. § 1125(d)(1)(A).

29. Pursuant to 15 U.S.C. § 1125(d)(2)(A)(i)(II)(aa), concurrently with the filing of this complaint Central Source will give notice of the violations of Central Source's rights, and Central Source's intent to proceed *in rem*, to the postal and e-mail addresses set forth in the registration records for each of the Defendant Domain Names.

30. Venue is proper in this District pursuant to 15 U.S.C. § 1125(d)(2)(C) in that the .COM domain name registry operator, VeriSign, Inc. and the .ORG domain name registry operator, Public Interest Registry, are situated in this judicial district, and the Defendant Domain Names are all .COM or .ORG domain names.

31. Joinder of the Defendant Domain Names is proper under Fed. R. Civ. P. 20(a)(2) in that the *in rem* cybersquatting and trademark infringement claims set forth herein arise out of the same series of transactions and the same questions of law are common to all of the Defendant Domain Names.

32. In addition to including variants of Central Source's AnnualCreditReport trademark in their domain name, four of the Defendant Domain Names are registered to the same registrant ("Christopher Stewart" or "Chris Stewart"), and various combinations of the Defendant Domain Names share common mail servers, resolve to websites hosted on the same network as evidenced by the identical first two sets of numbers in their respective Internet Protocol version four (IPv4) addresses, share common registration dates, and/or resolve to Internet web pages that appear identical. A chart demonstrating the relationships between the Defendant Domain Names is attached hereto as Exhibit 21.

### **CENTRAL SOURCE'S RIGHTS**

46. The mandatory disclosures required by federal law under 15 U.S.C. § 1681j(g) and 12 C.F.R. § 1022.138 have resulted in millions of references to AnnualCreditReport being presented to consumers.

47. Through promotion of AnnualCreditReport by Central Source, the Federal Trade Commission, and third parties that are statutorily required identify AnnualCreditReport, the AnnualCreditReport mark has become famous and/or distinctive throughout the United States in connection with Central Source's services.

48. The Defendant Domain Names represent unauthorized colorable imitations of the AnnualCreditReport mark, which further demonstrates that the AnnualCreditReport mark has acquired distinctiveness and was famous and/or distinctive prior to the time of registration of the Defendant Domain Names.

49. Consumers have come to distinguish and recognize the legitimacy of Central Source's services as a result of the use and widespread promotion of the AnnualCreditReport mark. The AnnualCreditReport mark is entitled to common law trademark rights.

50. The AnnualCreditReport mark is also registered on the Principal Trademark Register of the U.S. Patent and Trademark Office under registration number 4152650. *See* Exhibit 22.

51. Central Source's federal registration for the AnnualCreditReport mark is *prima facie* evidence of the validity of the mark, of Central Source's ownership of the mark, and of Central Source's exclusive right to use the mark in U.S. commerce.

#### **UNLAWFUL REGISTRATION AND/OR USE OF THE DOMAIN NAMES**

52. Central Source has engaged in significant efforts to protect consumers by *inter alia* defensively registering domain names that represent typographical variations of

AnnualCreditReport and by pursuing the disabling of websites and the transfer of domain names that are being used to confuse and mislead consumers.

53. Where necessary, Central Source also has successfully pursued legal action to obtain the transfer of domain names that infringe upon the AnnualCreditReport mark and were registered in bad faith. *See Central Source LLC v. annualcreditreport.com*, 14-CV-1754 (E.D. Va. Aug. 19, 2015); *Central Source LLC v. annualcrsditreport.com*, 14-CV-1755, 2015 WL 1880187 (E.D. Va. Apr. 23, 2015); *Central Source LLC v. aniuaccreditreport.com*, 14-CV-1345 (E.D. Va. 54. The Defendant Domain Names represent typographical errors of AnnualCreditReport. The registration and use of the Defendant Domain Names reflects a type of cybersquatting known as “typosquatting.”

55. Upon information and belief, the Defendant Domain Names were registered for the purpose of obtaining Internet visitors when such visitors make a typographical error on their keyboard when attempting to reach AnnualCreditReport.com by typing “AnnualCreditReport.”

56. The Defendant Domain Names are configured to display pay-per-click advertisements or to redirect visitors to third-party websites for sales solicitations—when the visitors were actually seeking the AnnualCreditReport service provided by Central Source through AnnualCreditReport.com.

57. Upon information and belief, the registrant(s) of the Defendant Domain Names receive compensation when Internet visitors, who were attempting to reach AnnualCreditReport.com, click on a link provided by a Defendant Domain Name to a third-party website and/or when the Internet visitors are automatically redirected by a Defendant Domain Name to a third-party website for a sales solicitation.

58. The use of the AnnualCreditReport mark within the Defendant Domain Names and/or associated websites is without authorization from Central Source.

59. Upon information and belief, the Defendant Domain Names do not and cannot reflect the legal name of the registrant(s) of the Domain Names.

60. Upon information and belief, the registrant(s) of the Defendant Domain Names has not engaged in bona fide noncommercial or fair use of the AnnualCreditReport mark in a website accessible under the Domain Names.

61. The websites displayed by the registrant(s) of the Defendant Domain Names are likely to be confused with Central Source's legitimate online location at AnnualCreditReport.com and actual consumer confusion is occurring in the marketplace.

62. Upon information and belief, the registrant(s) of the Defendant Domain Names registered the Domain Names with intent to divert consumers away from Central Source's online location at AnnualCreditReport.com, for commercial gain, by creating a likelihood of confusion as to the source, sponsorship, affiliation or endorsement of the Defendant Domain Names and the sites displayed through use of the Defendant Domain Names.

63. Upon information and belief, the Defendant Domain Names are being used to display websites that do not comply with the mandatory disclosure provisions of 15 U.S.C. § 1681j(g) and 12 C.F.R. § 1022.138.

64. Upon information and belief, the registrant(s) of the Defendant Domain Names provided material and misleading false contact information when applying for and maintaining the registration of the Defendant Domain Names in that the person or entity identified as the registrant of the Defendant Domain Names is not the true owner of the Domain Names.

65. Upon information and belief, PrivacyGuardian.org, ICS INC, MIFUEGO, Domains By Proxy, LLC, Privacy Protection Service INC d/b/a PrivacyProtect.org, Private Whois Service, Above.com Domain Privacy, WHOISGUARD, INC., and Anonymize, Inc. provide services that replace a domain name owner's contact information with "Domain Administrator", "ICS INC", "DOMAIN MANAGER", "Registration Private", "Domain Admin", "WHOISGUARD PROTECTED", and "Privacy Administrator", respectively, as the domain name registrant and thereby conceal the identity of the true owner(s) of the domain name.

66. Upon information and belief, certain of the Defendant Domain Names were registered by the same person or entity and/or are under the control of the same person or entity.

**COUNT ONE:**  
**(Violation of the Federal Anti-Cybersquatting Consumer Protection Act)**

67. Central Source repeats and realleges each and every allegation set forth in the foregoing paragraphs, as though fully set forth herein.

68. Central Source's federally registered AnnualCreditReport mark is famous and/or distinctive and was famous and/or distinctive prior to the time of registration of the Defendant Domain Names.

69. The aforesaid acts by the registrant(s) of the Defendant Domain Names constitute registration, maintenance, or use of domain names that are confusingly similar to Central Source's AnnualCreditReport mark, with bad faith intent to profit therefrom.

70. In light of the registrant's concealment of the identities of the true owners(s) of the Defendant Domain Names, Central Source is not able to obtain *in personam* jurisdiction over the registrant(s) of the Defendant Domain Names or any other person who would have been a defendant in a civil action under 15 U.S.C. § 1125(d)(1)(A).

71. Central Source, despite its due diligence, has been unable to find a person who would have been a defendant in a civil action under 15 U.S.C. § 1125(d)(1)(A).

72. The aforesaid acts by the registrant(s) of the Domain Names constitute unlawful cyberpiracy in violation of the Anti-Cybersquatting Consumer Protection Act, 15 U.S.C. § 1125(d)(1).

73. The aforesaid acts have caused, and are causing, great and irreparable harm to Central Source and the public. The harm to Central Source includes harm to the value and goodwill associated with the AnnualCreditReport mark that money cannot compensate. Thus, pursuant to 15 U.S.C. § 1125(d)(2)(D)(i), Central Source is entitled to an order transferring the Defendant domain name registrations to Central Source.

**COUNT TWO:**  
**(In-Rem Trademark Infringement)**

74. Central Source repeats and realleges each and every allegation set forth in the foregoing paragraphs, as though fully set forth herein.

75. At the time the Defendant Domain Names were registered and/or used, Central Source possessed valid federal trademark rights in the AnnualCreditReport mark.

76. In light of the registrant's concealment of the identities of the true owners(s) of the Defendant Domain Names, Central Source is not able to obtain *in personam* jurisdiction over

the registrant(s) of the Defendant Domain Names or any other person who would have been a defendant in a civil action under 15 U.S.C. § 1125(d)(1)(A).

77. Central Source, despite its due diligence, has been unable to find a person who would have been a defendant in a civil action under 15 U.S.C. § 1125(d)(1)(A).

78. The registration and use of the Defendant Domain Names are a use in commerce.

79. The registration and use of the Defendant Domain Names affect Central Source's ability to use its AnnualCreditReport mark in commerce.

80. The Defendant Domain Names and their respective registrant(s) have no valid rights in the AnnualCreditReport mark.

81. At the time the Defendant Domain Names were registered and/or used, the Defendant Domain Names and their respective registrant(s) were on actual and/or constructive notice, pursuant to Section 22 of the Lanham Act, 15 U.S.C. § 1072, of the existence of Central Source's superior rights in its AnnualCreditReport mark by reason of the existence, at that time, of Central Source's aforesaid federal trademark rights.

82. Use by the Defendant Domain Names and their respective registrant(s) of the AnnualCreditReport mark is without the permission or authorization of Central Source.

83. The aforesaid registration and/or use of the Defendant Domain Names has caused and is likely to continue to cause confusion, mistake and/or deception among consumers and the public, leading the public falsely to believe that the Defendant Domain Names and/or websites provided thereunder are those of, are sponsored or approved by, or are in some way connected with Central Source.

84. The aforesaid registration and use of the Defendant Domain Names constitutes direct infringement of Central Source's trademark rights in violation of Section 32(1) of the Lanham Act, 15 U.S.C. § 1114(1).

85. The aforesaid acts have caused, and are causing, great and irreparable harm to Central Source and the public. The harm to Central Source includes harm to the value and goodwill associated with the AnnualCreditReport mark that money cannot compensate. Unless permanently restrained and enjoined by this Court, said irreparable harm will continue.

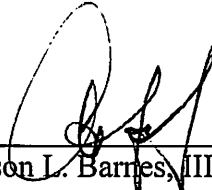

**PRAYER FOR RELIEF**

WHEREFORE, Central Source respectfully requests of this Court:

1. That judgment be entered in favor of Central Source on its claims of cybersquatting and trademark infringement.
